As per the City of Milwaukee's occupancy ordinance, it is illegal to rent or offer to rent more than 3 persons who are not a family or by a family and more than 2 other persons in one unit. In order to legally rent to more than three unrelated persons, the landlord has to have a rooming house license. This unit/building is not a rooming house.

Included in the term family are 4 or fewer legally assigned foster children, except that more than 4 may be legally assigned if all are related to one another as brothers or sisters.
